

FOP Friends Conference and Family Gathering 2024

Saturday 11th May 2024

Radisson Blu Hotel

Manchester Airport, England

FOP Friends would like to invite you to their 5th Conference and Family Gathering - 25 years since they held their first symposium at the same venue.

As always, the conference will have family at the centre of the event. There will be a clear patient focus, addressing the questions and concerns of the families we support.

There will be presentations from FOP medical experts from around the world.

We're excited to have the FOP clinical team from the Royal National Orthopaedic Hospital, led by Professor Richard Keen.

We will also hear from:

- International FOP physicians
- Researchers
- Scientists
- Representatives from pharmaceutical companies
- Resilience coach Nina Kundi

Our 'Meet and Greet' will take place on Friday evening. On Saturday evening we warmly invite all attendees to join us for a family dinner with light entertainment.

**We look forward to welcoming
you back to Manchester!**

The FriendZone is organised by Fiona White, trustee, and Janet Plumb. All creche staff are experienced childcare professionals and have a knowledge of FOP/POH.

Young adults can take advantage of a quiet space in the room where they can do their own thing. They are not required, but are welcome, to join in with activities.

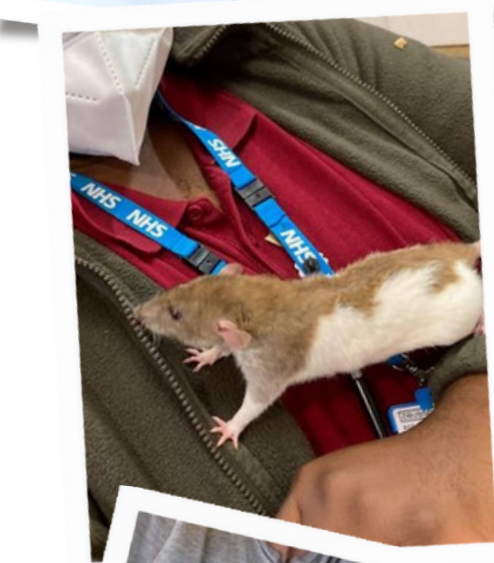

Snacks and drinks will be provided throughout the day.

Guests are permitted to bring their own toys or devices but FOP Friends cannot take any responsibility in the event of loss and/or damage to personal belongings.

As a courtesy to both the speakers and delegates , we respectfully request that any children/ young people who stay in the conference room with their parents do not distract other delegates who are trying to listen.

Electronic devices can be a distraction to others. We do not allow children/young people to play on devices in the presentation room. Thank you for your understanding.
